### Discussion Question 1

Due Date: Day 2 [Main forum]

Post your response to the following: Conduct an Internet search to locate an example of a private network and a public network. How is each network used? What are the pros and cons of each?

### 3. Discussion Question 2

Due Date: Day 4 [Main forum]

Post your response to the following: You are a consultant who has been hired to design a WAN for a startup business. How would you explain subnetting in a way your nontechnical client would understand?
